REOPENING PLAN**

Hello Keeping It Real Family!

We have some very exciting and important news for you, our In-person Worship Experience will be returning! In keeping with being data driven and not date driven, we continue to put into place safe practices to help everyone stay healthy as we return. As such, we will be initially opening in stages and with a limited capacity. We would ask that you partner with the staff and other members as we are patient and cooperative with one another in navigating this new season.

As we've said all along, "Safety" is a TOP priority at KIRCF! We are committed to reopen in a way that ensures the highest level of safety possible, including following as best we can all recommendations from the CDC and local municipalities regarding distancing, cleaning and masks.

There is *NO PRESSURE* to resume attending our experiences physically at this time or any other. Church "attendance" is not our goal. We're all about helping people continue to grow in their relationships with the Lord and each other. So, we are committed to continue reaching ALL people with the FULL LIFE message of Jesus Christ every week through our digital platforms as well.
