

PRAISE VS. WORSHIP

A Teaching Graphic for Bible Study & Ministry

PRAISE	WORSHIP
• Thanks God for what He has done	• Honors God for who He is
• Celebrates God's actions	• Surrenders to God's authority
• Often loud, joyful, expressive	• Often quiet, intimate, reverent
• Focuses on God's greatness	• Focuses on God's holiness
• Is a gateway into God's presence (Psalm 100:4)	• Is where we bow, submit, and yield (John 4:23)
• Can be done by anyone	• Requires relationship & surrender
• External expression	• Internal posture

Key Understanding: Praise celebrates God's works — worship surrenders to God's worth.
